

## Love Island Weddings

Jenny, a future bride, is thinking about whether she should get married in Cyprus or Santorini. She does not know where to start with the planning, so she gets upset. Her friend Nikki finds Jenny is upset, so she asks her: *Why?* Jenny tells her the problem. Nikki then reassures Jenny not to worry, takes her to the Personal Computer (PC), and shows her the Love Island Weddings site.

Love Island Weddings is a wedding planner that plans weddings for females between the ages of 18 and 60 years old, so that couples can marry happily. They plan perfect weddings in Cyprus or Santorini that brides have always wanted. Love Island Weddings does the legal paperwork for you, and they have good relationships and access to the top suppliers. Love Island Weddings instantly book confirmation for your venue, date & time, and you receive their 1-hour free consultation by phone or Skype. They discuss the hotel packages in full and make you aware of any restrictions. Moreover, you will get free bridal flowers and a free bridal box if you trust Love Island Weddings for your wonderful wedding event.

After knowing about Love Island Weddings, Jenny hugs Nikki with excitement and gratitude, and eventually she picks up the phone to call Love Island Weddings and books her event.

Love Island Weddings proudly claims about your wedding event: "dream it, plan it, and live it".
